

Michael M. Graham

Executive Vice-President & President Canadian Foothills Division of EnCana
and Designated Executive Vice-President & President,
Canadian Division of GasCo

Mike Graham is responsible for Canadian Foothills Division resource play assets in British Columbia and Alberta. This includes EnCana's operations in the Key Resource Plays of Greater Sierra, Coal Bed Methane, Bighorn & Cutbank Ridge.

Mike graduated from the University of Wyoming in 1986 with a Bachelor of Science degree in petroleum engineering. He joined EnCana in 1986, and held various positions in operations and engineering areas until moving to the reservoir engineering group.

Mike was involved with the development of the company's Suffield and Primrose interests, the AECO gas storage facility and EnCana's entry into the Deep Basin of Alberta and northeast British Columbia. He was appointed Senior Vice-President, Foothills Region, when EnCana was formed in April 2002, and President of the Canadian Foothills Region in April 2003. Since April 2005, he has been an Executive Vice-President of EnCana. In July 2006, Mike was appointed President of the Canadian Region, which consolidated the company's Canadian Foothills and Canadian Plains Regions. In January 2007, Mike assumed leadership of EnCana's Canadian Foothills Division.
